Two Days in Hong Kong

Dear Tom,

I am excited to hear that you are going to come to Hong Kong next month. I would like to take you to some famous places in Hong Kong. Here are my suggestions.

On day one, after breakfast, we can take it easy but also enjoyable. I remember that you like to read book so we can go to Hong Kong Public Library. We can read many kinds of books. In the afternoon, we can either play games with my friends in Victoria Park or visit Ocean Park. At Ocean Park, we can ride on the roller coaster. In the evening, we can either go to the Peak or sit on the ferris wheel. We can enjoy beautiful views in both places.

On day two, in the morning, we can do some sports. I know that you are good at swimming and tennis. We can go to either Sun Yat Sen Memorial Park Swimming Pool or Victoria Park tennis court. I hope that there will not be many people playing tennis. In the afternoon, we can go to either Hong Kong Space Museum or Hong Kong Science Museum. We can learn lots of things in both museums. In the evening, we can go to either the Avenue of Stars or Golden Bauhinia Square. We can see the Symphony of Lights in both places.

This is what I have planned for your days. What do you think? You can tell me. I hope you will have a good time next month. I am looking forward to seeing you soon.

You best friend,
Ivan
