Two Days in Hong Kong

Dear Tom,

I am delighted to hear that you are going to come to Hong Kong next week. I would like to take you to some famous and interesting places in Hong Kong. Here is my plan.

On day one, I will bring you to either Hong Kong Wetland Park or Hong Kong Space Museum. In the morning at Wetland Park, we can see a lot of animals. The most popular animal is the crocodile, Pui Pui. You can take photos with Pui Pui. At Hong Kong Space Museum, there are many interesting things and we can learn some astronomical knowledge.

In the afternoon, we can go to either Disneyland or Ocean Park. In Disneyland, we can also ride on the cable car.

In the evening, we can go to either Sai Kung or Aberdeen. In Sai Kung, we can eat seafood and go shopping at Stanley Market. In Aberdeen, we can eat dinner at a floating restaurant.

On day two, I will bring you to either the Peak to look at the view of Hong Kong or Wan Chai to visit Golden Bauhinia Square in the morning.

We can go to either Mai Po or Lamma Island. In Mai Po, we can watch the birds. On Lamma Island, we can go hiking in the afternoon.

In the evening, we can go to Tsim Sha Tsui to take photos of the Avenue of Stars and have a buffet dinner or try street food and go shopping in Mong Kok.

These are my suggestions for your days. What do you think? Are there any other places you want to visit in Hong Kong? I am looking forward to seeing you soon.

Your friend,

Suki
