Two Days in Hong Kong

Dear Tom,

I am happy to hear that you are going to come to Hong Kong next month. I would like to take you to some interesting places in Hong Kong. Here are my suggestions.

Day 1: I would like to take you to either Disneyland or Ocean Park. These two are Hong Kong's theme parks. You can go there to play exciting games. At Ocean Park, you can see many animals such as pandas, dolphins, shark... You can also take a cable car. In Disneyland, you can buy many gifts and in the evening you can watch the parade.

Day 1 evening: I would like to take you to eat buffet for dinner. There are different kinds of food there. You can eat a variety of food, desserts and different drinks.

Day 2 morning: I would like to take you to Cheung Chau . You can either go hiking or go to the beach. If you go hiking, you can see many flowers and trees. If you go to the beach, you can go swimming and play beach ball. In the afternoon, you can eat Cheung Chau's most characteristic fish balls. They are very yummy.

Day 2 evening: you can eat seafood. You can eat many different types of seafood in the restaurant.

This is what I have planned for your days. What do you think? Are there any other places you want to visit in Hong Kong? I think you will have a good time next month. I am looking forward to seeing you soon.

Your pen friend,
Kristy
